Shawn Eichorst was named the 14th Director of Athletics of the University of Nebraska by Chancellor Harvey Perlman on October 4, 2012. Eichorst leads a tradition-rich athletic program of 24 varsity athletic teams, 600-plus student-athletes and more than 275 full-time employees. Eichorst succeeded legendary Nebraska football coach and Athletic Director Tom Osborne and officially assumed his duties on January 3rd, 2013.

"I am honored to have the opportunity to join the University of Nebraska family," Eichorst said. "Nebraska is an outstanding academic institution with one of the strongest athletic departments in all of college sports," Eichorst said. "Most importantly, everyone here is committed to keeping the welfare of our student-athletes at the heart of everything we do. I am humbled by the responsibility and opportunities that lie ahead and will work diligently to carry on the rich tradition of Husker excellence set forth by Coach Osborne and so many others."

Nebraska Chancellor Harvey Perlman said it was Eichorst's commitment to putting student-athletes first that made Eichorst stand out.

"When I asked him how I would be able to measure his success if he were here five years from now," Perlman said, "his response was that if the coaches and student-athletes had been successful and nobody knows his name, it would be a success."

Although his preference is to serve and lead diligently from the background, Eichorst has already canvassed the state promoting Husker Athletics and Nebraska's tremendously talented student-athletes making more than 70 appearances across Nebraska and visiting eight other states in just his first seven months. Eichorst emphasizes academics first and is proud to acknowledge Nebraska's nation-leading 307 Academic All-Americans, including eight who earned the honor in 2012-13. In fact, he has invited all of the academic honor winners back to

campus for a reunion in November. He has met with each college dean on campus and uses his monthly radio show and his Connecting on Campus column to promote campus, coach and student-athlete academic and community successes. More than 200 Husker student-athletes were honored at the academic recognition banquet this spring while 138 were named Academic All-Big Ten in 2012-13.

During Eichorst's first semester at Nebraska in the spring of 2013, women's bowling, coached by legend Bill Straub, won a national title and Rhonda Revelle's softball team advanced to the College Softball World Series.

The women's basketball team, coached by Connie Yori, completed a run to the Sweet 16 for the second time in program history and the women's tennis team, coached by Scott Jacobson, made an appearance in the Sweet 16 for the first time in program history and earned a share of the Big Ten title. Tennis player Mary Weatherholt finished runner-up at the NCAA Individual Championship, the highest-ever finish for a Nebraska tennis player.

In addition to women's tennis, two other Nebraska teams added Big Ten titles in the spring of 2013, as the women's gymnastics team, coached by Dan Kendig, won its second-straight Big Ten title and third-straight conference title overall. The men's track and field team, coached by Gary Pepin, claimed the outdoor team title.

This fall, three facility projects will be completed: Memorial Stadium, which expands to accommodate more than 90,000 football fans and will include the Nebraska Athletic Performance Laboratory (NAPL) and the Center for Brian, Biology and Behavior (CB3) research facilities; Pinnacle Bank Arena in downtown Lincoln, where the Husker men's and women's basketball teams will be permanent tenants; and the renovated Bob Devaney Sports Center, where volleyball, men's and women's gymnastics and the wrestling team will now compete. Construction for each of these three facilities began with Coach Osborne at the helm. Athletic Director Emeritus Osborne continues to provide Eichorst with counsel on a number of items including the East Stadium research initiatives. The collaborative research that will take place within an athletic facility shared by academics and athletics is believed to be the first of its kind and sets the tone for the leadership role Nebraska has taken in the Big Ten Conference and nationally.

Eichorst came to Nebraska after spending 18 months as the Director of Athletics at the University of Miami. He was named the 12th Director of Athletics at Miami on April 12, 2011 and served until October 4, 2012 when he was hired by Nebraska as a Special Assistant to Chancellor Perlman.

In his first year as Director of Athletics at Miami, Eichorst helped grow the academic reputation as well as the fan base. Under his watchful eye, the Hurricane Club grew by more than 500 members, surpassing 5,000 members nationwide. More than \$19 million in student-athlete support was generated in 2011-12 and an additional \$14.2 million in capital gifts was raised toward the new Center for Athletic Excellence facility, scheduled for completion in the fall of 2013.

During his tenure, both the Hurricane men's and women's basketball programs advanced to the postseason, with the women posting the highest national ranking in school history at No. 5, advancing to the NCAA Second Round. The women's tennis team advanced to the NCAA quarterfinals for the fourth straight season and the baseball program extended its NCAA postseason appearances streak to 40 consecutive seasons. The women's soccer team posted the first NCAA postseason win in program history, while the volleyball team advanced to the NCAA postseason for the third straight year and finished the season ranked 15th in the nation.

Before his appointment at Miami, Eichorst served from 2009 to 2011 as the Deputy Athletics Director at the University of Wisconsin, where his responsibilities under Director of Athletics Barry Alvarez included serving as the department's Chief Operating Officer and overseeing the day-to-day operations of the highly successful athletics program. At Wisconsin, Eichorst was involved in the design and planning of a new ice hockey and swimming facility completed in the fall of 2012, as well as with the Student-Athlete Performance Center in the north end zone of Camp Randall Stadium. He joined the Badgers' staff in 2006 as a Senior Associate Athletics Director and was promoted to Executive Associate Athletics Director in 2007.

Eichorst has experience with three BCS conference institutions previously serving as University of South Carolina's Senior Associate Athletics Director for Administration from 2004 to 2006. With the Gamecocks, Eichorst oversaw daily operations of the department and supervised the football and baseball programs. The football team was bowl-eligible each year during Eichorst's tenure, and the baseball program competed in the 2004 College World Series. Additionally, he coordinated and supervised multi-million dollar facility projects, including a state-of-the-art football training facility.

Eichorst served as the Director of Athletics at his alma mater, University of Wisconsin-Whitewater until 2003. Under his tenure, UW-Whitewater developed into one of the nation's top Division III athletic programs, with four top 10 percent National Association of Collegiate Directors of Athletics (NACDA) Directors Cup finishes; one NCAA team championship; two NCAA team runner-up finishes and five individual national champions. The program also featured 38 Academic All-America selections, seven NCAA Postgraduate Scholarship winners and 74 All-Americans.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, a three-time letterwinner and 1990 team captain for the University of Wisconsin-Whitewater football team. He graduated magna cum laude in business from UW-Whitewater in 1990 and earned a law degree from Marquette University in 1995. He practiced law in Milwaukee before accepting the position at Wisconsin-Whitewater.

He is a past member of the NCAA Division I Student-Athlete Reinstatement Committee and State Bar of Wisconsin Board of Governors. He also previously served as an assistant adjunct professor of law at Marquette University Law School, where he taught classes in sports law. He currently serves on the Marquette University National Sports Law Institute Board of Advisors.

In 2006, he was awarded the Sports Law Alumnus of the Year by Marquette. He also is a graduate of the Sports Management Institute and serves on its Executive Committee.

Eichorst and his wife Kristin have three sons: Jack, Joseph and Bennett.
